MEMORANDUM FOR: Director of Personnel  
FROM: Director of Central Intelligence  
SUBJECT: Condolence Letters

Bob:

You will note that these condolence letters, which were rewritten by  are considerably different from what your office originally prepared. The IAD people obviously knew these four men, and were able to add a personal touch. That is important, particularly when such a tragedy occurs. Your office is not in a position to do that. In the future, when condolence letters are necessary, please have the individual's home component participate in writing them.
